Exclusive Premium Properties

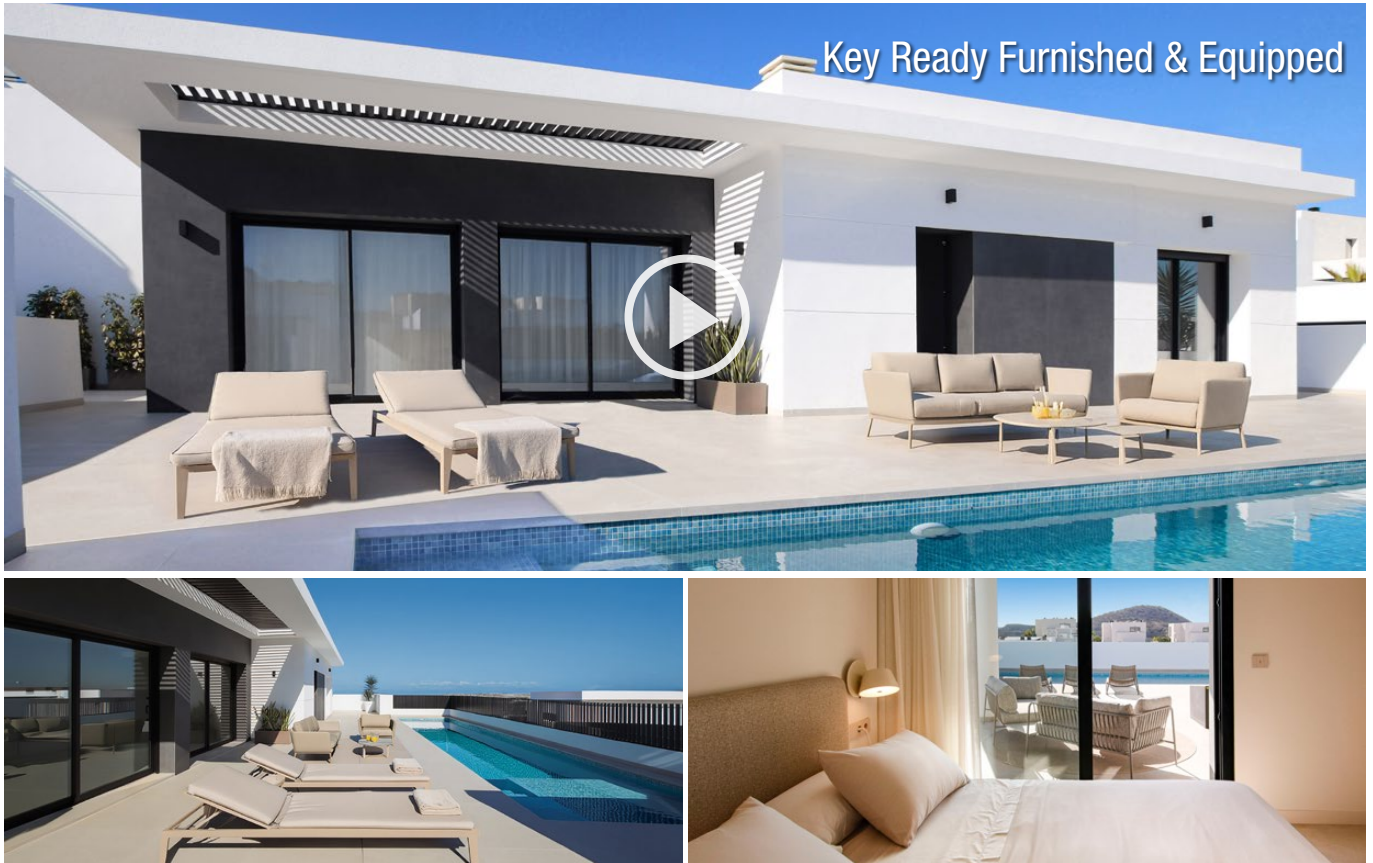

Discover our Show House and Key Ready Villas

Quesada Villas offers a sustainable contemporary living experience with its two-story design, private pool and sunlit terraces overlooking the scenic mountains. The bright, spacious interiors with an elegant neutral palette seamlessly connect indoor and outdoor living. The basement provides a private garage, cozy bedrooms and a versatile entertainment room that can be converted into an additional bedroom.

In addition, it offers energy-efficient features such as renewable energy systems, photovoltaic solar panels, and electric vehicle charging points.

Fully equipped with electrical appliances, light fittings, blinds, and air conditioning, this stunning home is situated in the highly desirable.

Quesada Villas | Villa Atenea

Styleish design villa distributed over 2 floors with spacious private pool and ideal sun orientation, overlooking the mountains. The diaphanous living room and kitchen layout merges with the amazing outdoor terrace and large pool. The bedrooms are located in the cozy under build together with a second

entertainment room that can be turned into an additional bedroom. All homes include private pool, garage, electrical appliances, light fittings, blinds and air-conditioning. Set in the sought-after residential of Quesada next to the popular 18-hole golf course of La Marquesa, close to amenities and Guardamar's amazing beaches.
